

THE SECRET TO LIVING IN TOTAL HEALTH

The Secret to Living in Total Health

The will of God for you is to live in total health. You were not created to be prone to sickness or diseases. God created you to have dominion over sickness and all that causes it. (Read Genesis 1:28).

Despite the plan of God for total health, many people are sick today, and many have died due to illness, because they lack the understanding of the secrets that guarantee total health. And here is the secret;

*You are to serve the LORD, your God, and he will bless your food and water, **and I'll remove sickness from you.*** (Exodus 23:25 ISV).

According to the above scripture, the secret to a life of total health is serving God. This may sound unreasonable, but it's the secret. Serving God is not just about going to church or participating in religious activities. Serving God is all about discovering and fulfilling God's purpose for your life. And it is a sure guarantee for living in total health.

As long as Israel was living God's purpose by heading towards the Promised Land, they were all enjoying total health. The Bible says, "*Then he led the Israelites out; they carried silver and gold, **and all of them were healthy and strong***". (Psalms 105:37 GNB).

When you constantly live in God's will, His providence and plan will begin to benefit your overall health. This will happen through a physical design upgrade, resource provision, divine guidance, and miraculous healings. You will begin to feel comfort, hope, and inner peace as you serve God and live by faith. God will also begin to act miraculously to restore your body and keep you in perfect health.

Keep in mind that those who serve God get served by Him. Moses, at 120 (one hundred and twenty) years old, was strong, and his eyes were not dim (Deut 34:7) because he lived serving God all the days of His life. Your health status can change today if you switch over to living a life in service to God. It doesn't matter what has plagued your life, be it cancer, arthritis, barrenness, migraines, diabetes,

asthma, and so on. All of that will be a thing of the past if you choose God right now. I was there before, and now I am living above sickness to the glory of God.

If you are ready to experience this new status, I would like you to know that God has a purpose for why He created you, and it's your responsibility to discover it through prayer and study of His word. But the entrance into this journey is salvation. If you are ready, you need to go to God in prayer and ask Him to come into your life and forgive you your sins. Ask Him to wash you with the blood of Jesus and uphold you till the end.

As you follow God through the study and meditation of His word and carry out His assignment on earth, you shall begin to experience a new order of health from now on, in Jesus name.

If you are ready to accept Him, pray this prayer now;

Lord Jesus, I thank you for dying on my behalf, I know am a sinner and that I cannot survive without

your help. I confess you as my Lord and Saviour today, to follow you all the day of my life. Forgive me all my sins and make me a candidate of your eternal kingdom. I thank you, for now am born again. In Jesus name I pray (amen)

If you prayed this prayer, I want to assure you that you are now born again and you won't have to spend eternity in hell but in heaven. To consolidate your new life, get a copy of the Bible and locate a bible believing church, where you will grow more in faith.
