

ACCESSING THE PRESENT HELP IN TROUBLE

Accessing the Present Help in Trouble

Everyone faces challenges and needs help at various points in life. However, not everyone can access the right help they require during their moments of need. For each individual, the nature of help needed varies - healing for the sick, prosperity for the poor, deliverance and peace for the oppressed, comfort for the abused, and countless other forms of aid for different human troubles.

It is crucial to recognize that troubles are a common experience for everyone, but what is not common is having access to help during those troubled times. In the following lines, I will guide you to the path of accessing the present help that is available to you.

According to Psalm 46:1, the Bible affirms that "God is our refuge... A very present help in trouble." While this statement is true, it is not automatic. God is indeed the present Helper in any form of trouble, but here's the question: "Does everyone receive help in their troubled times?" The answer is NO. Many do not experience divine help due to their lack of

access to it. However, for you, your helplessness can come to an end today, as I will show you how to access it.

First and foremost, to access the very present help, which is God, in all your troubles, you must be living your life in His presence. This occurs when you confess Jesus as your Lord and Savior. Salvation transfers you from the kingdom of darkness into the Kingdom of light, where God's presence resides.

Secondly, living in God's presence does not automatically guarantee His manifestation of help. It takes faith to access the aid of His presence. Those who received help from God in biblical times, and those who will receive help today, must have faith in God. Without faith, it is impossible to please God (Hebrews 11:6), and divine help is released to those whom God is pleased with. Build your faith by spending time daily in the Word of God, and you will never be helpless again.

Through faith, you can command divine help like never before. Whether facing sickness, poverty, or

any form of oppression, your faith in God's ability will displace your adversaries and neutralize the effects of their attacks on your life.

To begin your journey into a life filled with divine help, please pray this prayer:

"Lord Jesus, come into my life, forgive me my sins, and wash me with your precious blood. I accept You by faith as my personal Lord and Savior. Help me to live a life pleasing unto you. I thank you that now I am yours."

If you have prayed this prayer, I congratulate you for qualifying for help from the very Present Helper in all your times of trouble. Strengthen your faith from now on by spending quality time in the Word of God and prayer. Shalom.
