

**WHAT ARE YOU
LIVING FOR?**

What Are You Living for?

In the world today, people live their lives for various things. Some live for money; some live for fame and pride of life; and some others live their lives to please men or themselves. But the best and most rewarding way is to live a life that glorifies God and His kingdom.

Living your life for God and His kingdom positions you to enjoy God's peace, which goes beyond anything we can imagine (Phil 4:7). It is the only way to guarantee fulfillment in life. No matter the amount of money or power that you have, you cannot experience the peace and satisfaction that heaven releases.

One of the reasons you cannot find peace and satisfaction outside of God is because God created you for His pleasure (Revelations 4:11). And you cannot please God until you are living for Him.

Living for God involves seeking God's kingdom, aligning our priorities with His purposes, loving others, serving selflessly, and sharing the message of

salvation with others. While money and material things in themselves are not inherently evil, the pursuit of wealth at the expense of spiritual values can have negative consequences. Living for God instead of money is a call to place God at the center of our lives, prioritize His values, and use money and possessions as tools for His purposes and the well-being of others.

Whatever you live for will definitely control your life. If you are living for money, it will control you and make you do unholy and illegitimate things to get it. The Bible says, “*But people who want to get rich keep falling into temptation. They are trapped by many stupid and harmful desires, which drown them in destruction and ruin.*” (1Ti 6:9 GW). If you are living to please men, you will end up living with insecurity for the rest of your life.

Living for God instead of money is a significant choice to prioritize spiritual and eternal values over material wealth. This approach brings true fulfillment and contentment, as it acknowledges that our ultimate purpose is to know, love, and serve God. It shifts our focus to eternal values, recognizing

that our time on Earth is a brief part of our eternal existence. Living for God frees us from materialism, allowing us to use money and possessions as tools for God's purposes. This fosters generosity and compassion towards others, as we recognize our resources are gifts from God and are called to be good stewards.

Finally, living for God guarantees success, prosperity, peace, health, security, and, above all, eternal life. Jesus said, “*But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.*” (Mat 6:33 KJV).

Your journey to living for God starts when you surrender your life to Jesus by being born again. This involves believing that Jesus came in the flesh, died, and rose again from the dead. The next thing to do after believing is to confess Jesus as your Lord and Saviour.

If you are ready to accept Jesus into your life, pray this prayer now;
