

# How to *DEFEAT YOUR* **Enemy**

## How to defeat your enemy

Every man and woman on this planet Earth must contend with adversity in some form or another. These hostile forces want to destroy men's lives and futures. These competing forces will ruin your life and destiny if you do nothing about them. Because of this, you must not miss what I'm about to share with you about how to vanquish all of your foes, even the most obstinate ones.

Let me begin by saying that everything you need to defeat your enemy has already been done by one man and has been passed down to you if you are willing to accept it. Every hardship produced or emerging everywhere is the work of Satan. Whatever is opposing you in any area of your life, Satan is at the core of it all. That is why you must be prepared for what I am going to reveal to you.

The devil, your one and only adversary who emerges in various forms and media, is a vanquished force. If you don't realise this, you will live your entire life in dread and defeat. Jesus came into the world to demolish the devil's works (1John 3:8). He

disarmed the enemy of all his weapons and made a public display of the victory over them (Col 2:15). But none of this will result in an automatic victory for you unless you know and do what it takes to obtain it.

I have told you all these to let you know that your adversary is only thriving on your **ignorance**. And that is the only battle you have to fight right now and each an everyday of your life. You need to fight ignorance because your enemy wants you to always believe he has power over you; that is not true. You can defeat your enemy by changing the way you think. You have made your enemy powerful enough by how you think; it's time to switch your thinking to the powerful one who overcame the devil for you.

“The LORD says, "I am the one who strengthens you. Why should you fear mortals, who are no more enduring than grass? Have you forgotten the LORD who made you, who stretched out the heavens and laid the earth's foundations? Why should you live in constant fear of the fury of those who oppress you, of those who are ready to destroy you? Their fury can no longer touch you. (Isa 51:12-13 GNB).

That's the good news am sharing with you. God, the creator of heaven and earth has won the battle over your enemy for you. It's time to start thinking of how big this God is. The more you get conscious of how big your God is, the more irrelevant your enemy will assume. You can arise right now with this understanding and order every stubborn enemy out of your life, health, finances and career in the name of Jesus.

But let me warn you though; the victory that Jesus won over the devil, your enemy can only be accessible if you are genuinely born again by willingly repenting of all your sins and accepting Jesus as your Lord and Saviour. You don't have to be defeated another day. Surrender your life to Jesus now by going to Him in prayer and see your enemy crumbling under your feet.
